INTRODUCTION

This Master Agreement is entered into between the BOLD Education Association (hereinafter called the "Association"), as the teachers' exclusive representative, and Independent School District No. 2534 (hereinafter called the "District"). The purpose of this Agreement is to reduce to writing all of the agreements between the parties regarding terms and conditions of employment for teachers who are employed by the District, all in accordance with the provisions of the Public Employment Labor Relations Act (hereinafter called the "PELRA").

ARTICLE I
RECOGNITION OF EXCLUSIVE REPRESENTATION

A. Recognition. The District hereby recognizes the Association as the sole and exclusive representative for all teachers who are employed by the District.

B. Exclusion. The District agrees not to negotiate with or recognize any teachers' organization other than the Association so long as the Association is the duly authorized exclusive representative of the teachers of the District.

ARTICLE II
DEFINITIONS

A. Terms and Conditions of Employment. The term, "terms and conditions of employment" means the hours of employment, the compensation therefore including fringe benefits except retirement contributions or benefits, other than District payment of, or contributions to, premiums for group insurance coverage of retired teachers or severance pay, and the District's personnel policies affecting the working conditions of the teachers. The term does not include the District's educational policies, and the term is subject to the provisions of the PELRA.

B. Teacher. The word "teacher" shall mean a person in the appropriate unit employed by the District in a position for which the person must be licensed by the State of Minnesota but shall not include Superintendent, assistant superintendent, principals, and assistant principals who devote more than 50% of their time to administrative or supervisory duties, daily substitute teacher who do not replace the same teacher for more than 30 days, confidential employees, and such other employees excluded by law.

C. Association. The word, "Association," shall mean the BOLD Education Association acting as the exclusive representative of teachers employed by the District.

D. District. The word "District" shall mean the School Board or its designated representative(s).

E. Other Terms. Terms not defined in this Agreement shall have those meanings as defined by the PELRA.
ARTICLE III
DISTRICT RIGHTS

A. District Rights and Responsibilities. The Association recognizes that the School Board has responsibility and authority to manage and direct, on behalf of the public, all operations and activities of the District to the full extent authorized by law. The Association further recognizes that the District is not required to meet and negotiate on matters of inherent managerial policy which include, but are not limited to, such areas of discretion or policy as the District's functions and programs, its overall budget, utilization of technology, the organizational structure, and selection and direction and number of personnel.

B. Limitation and Obligation. The Association recognizes the right and obligation of the School Board to efficiently manage and conduct the operation of the School District within its legal limitations and with its primary obligation to provide educational opportunity for the students of the School District.

C. Effect of Laws, Rules, and Regulations. The Association recognizes that all teachers covered by this Agreement shall perform the teaching and non-teaching services prescribed by the School Board and shall be governed by the laws of the State of Minnesota and by rules, regulations, directives, and orders issued by properly designated officials of the School Board. The Association also recognizes the right, obligation, and duty of the School Board and its duly designated officials to promulgate rules, regulations, directives, and orders, from time to time, as deemed necessary by the School Board insofar as such rules, regulations, directives, and orders are not inconsistent with the terms of this Agreement and recognizes that the District and all employees covered by this Agreement are subject to the laws of the State of Minnesota, federal laws, rules and regulations of the State Board of Education, and valid rules and regulations, and orders of the state and federal governmental agencies. Any provision of this Agreement found to be in violation of any such laws, rules, regulations, directives, or orders shall be null and void without force and effect.

D. Reservation of Management Rights. The foregoing enumeration of District rights and duties shall not be deemed to exclude other inherent managerial rights and managerial functions not expressly reserved and all managerial rights and managerial functions not expressly delegated in the Agreement are reserved to the District.

ARTICLE IV
ASSOCIATION RIGHTS

A. Deduction of Membership Dues. Any teacher who is a member of the Association or who has applied for membership may sign and deliver to the District an assignment authorizing deduction of membership dues in the Association, including the Minnesota Education Association and the National Education Association. Such authorization shall continue in effect from year to year unless revoked in writing. Upon receipt of a properly executed authorization card of the teacher involved, the District will deduct from the teacher's paycheck the dues that the teacher has agreed to pay to the Association during the periods provided in said authorization and remit said deduction to the Association within 10 calendar days after payday accompanied by a list of the teachers for whom such deductions have been made. Deductions for teachers employed after the commencement of the school year shall be appropriately pro-rated to complete payments by the following June.
B. **Fair Share Fee.** Any teacher included in the appropriate unit who is not a member of the Association may be required by the Association to contribute a fair share fee for services rendered as exclusive representative in accordance with the PELRA's requirements.

Upon thirty (30) days’ notice in writing to the District’s payroll officer of the name of the teacher and the amount of the fair share fee certified by the Association, the District will deduct such fair share fee in installments from such teacher’s paycheck each month and will forward such fees to the Association within 10 calendar days after payday accompanied by a list of teachers for whom such deductions have been made. The Association agrees to notify the District promptly whenever any teacher subject to a fair share fee deduction becomes a member of the Association, and no further fair share fee deductions for such teacher will be made. Any dispute as to the amount of such fee shall be solely between the Association and the teacher involved.

The Association hereby warrants and covenants that it will defend, indemnify, and save the District harmless from any and all actions, suits, claims, damages, judgments, and executions or other forms of liability, liquidated or unliquidated, which any person may have or claim to have, now or in the future, arising out of or by reason of the deduction of the fair share fee specified by the Association as provided herein.

C. **Transaction of Official Association Business.** Duly authorized representatives of the Association and their respective affiliates shall be permitted to transact official Association business on District property at all reasonable times, provided that this transaction shall not interfere with or interrupt normal District operations. If a representative of the Association who is not an employee of this District desires to meet with a teacher during the teacher's workday, he or she shall first obtain permission of the building principal. Permission will be granted if this does not interfere or interrupt the normal District operations.

D. **Access to Worksite:** Representatives of the Association shall have reasonable access to worksites and school facilities to investigate employee complaints, communicate with members, hold meetings, and conduct other business. Upon arrival at the worksite, Association members shall make their presence known to the worksite supervisor or his/her designee. Such visits shall not interrupt normal work responsibilities. The Association agrees to pay the actual cost of the use of materials, such as paper, dittos, transparencies, and photocopy paper.

E. **Right to Post Notices.** The Association has the right to post notices of activities and matters of Association concern on teacher bulletin boards. The Association may use teacher mailboxes for communications to teachers.

F. **Access to Financial Data.** The District recognizes the right of the Association, in accordance with Minnesota law, to request and receive information from the District regarding budget and related financial data and related personnel information necessary for the Association to comply with its statutory responsibilities under the PELRA.

G. **Association Leave.** For school years beginning in an odd-numbered year, six (6) days shall be allowed to the Association for conducting Association-related business. For school years beginning in an even-numbered year, three (3) days shall be allowed to the Association for conducting Association-related business. For days used beyond those stated above, the cost of the substitutes for teachers for any negotiations or mediation sessions held during the school day will be shared equally by the District and the
Association. The Association shall notify the District at least 48 hours in advance of the name(s) of teachers who will be absent and the date the teacher(s) will be absent.

H. **Meet and Confer.** The School Board has the obligation to meet and confer with the Association to discuss policies and those matters relating to their employment not included under section M.S. 179A.03, subdivision 19, pursuant to sections M.S. 179A.08, subdivision 2, as amended. Each party will be responsible for providing background information for the meet and confer meeting to the other at the time the meet and confer agenda is established. An item of new business shall be reserved for the purpose of addition(s) to that agenda (should the need arise). That agenda will be posted in the teachers’ workroom and District offices 24 hours prior to the meeting.

With appropriate notice, the Association may request that any items not resolved during the meet and confer process be placed on the board agenda.

**ARTICLE V**

**TEACHER RIGHTS**

A. **Right to Views.** Nothing contained in this Agreement shall be construed to limit, impair, or affect the right of any teacher or his/her representative(s) to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment, so long as the same is not designed to and does not interfere with the full, faithful, and proper performance of the duties of employment or circumvent the rights of the Association. The PELRA does not require any teacher to perform labor or services against his/her will.

B. **Right to Join.** Pursuant to the PELRA, the District hereby agrees that every teacher employed by the District shall have the right to organize, join, or not join the Association.

C. **Personnel Files.** Pursuant to M.S. 122A.40, subd. 19, all evaluations and files relating to each individual teacher shall be available during regular District business hours to each individual teacher upon his/her written request. A representative of the Association may, at the request of the teacher, accompany the teacher in this review. The teacher shall have the right to reproduce any of the contents of the files at the teacher's expense and to submit for inclusion in the file written information in response to any material contained therein. No evaluatory material may be placed therein before allowing the teacher an opportunity to file his/her response thereto, and, said response shall become a part of said file. However, the School District may destroy such files as provided by law.

D. **Vacancy Notifications.**

1. Vacant bargaining unit positions shall be posted in the High School staff lounge, District Office, and the Elementary Building Principal Office.

2. Appropriately licensed teachers shall have the opportunity to apply for any posted position.

E. **Residual Rights.** All teachers who participate in the production of tapes, publications, or other produced educational material at their own expense shall retain residual rights to such material should they be protected by copyright or sold by the District.
F. **Individual Employment Agreement.** Any individual employment agreement between the School Board and an individual teacher shall be subject to and consistent with the terms and conditions of this Contract. If an individual employment agreement contains any language inconsistent with this Contract, this Contract, shall be controlling. The School Board shall not solicit execution of any individual employment agreement at such time or in such manner as shall constitute an unfair labor practice under the PELRA. Within thirty (30) days of the execution of this Contract, individual employment agreements shall be issued to all teachers.

G. **Educational Conferences.** If a teacher requests and the Superintendent grants permission to attend an educational conference, the District shall pay the registration costs and the substitute’s salary.

H. **Political Activities.** Teachers shall not use District privileges or facilities to promote political candidates or to further partisan political activities.

I. **Non-discrimination.** The provisions of this Agreement shall be applied without regard to race, creed, religion, color, national origin, age, sex, marital status, or place of residence.

**ARTICLE VI**

**TEACHER ASSIGNMENTS AND QUALIFICATIONS**

A. **Classroom Assignments.** Teachers shall not be assigned beyond the scope of their licensure unless the District applies with a variance from MDE and Board of Teaching.

B. **Notice of Assignment.** All teachers shall be given written notice of their classroom assignments for the forthcoming year no later than the first Friday in May. In the event that changes in assignments are proposed, all teachers so affected shall be notified promptly and consulted prior to final approval of such changes. In the event a teacher is not rehired or is placed on unrequested leave, the principal shall notify the teacher in a courteous and private manner. Except for emergency situations, changes in teachers' assignments shall not be made later than August 15 for the coming school year.

C. **Other Assignments.** Any position(s) in addition to the normal teaching schedule during the regular school year, including adult education, extra-curricular, and summer school, shall be voluntary. Teachers who apply for such a position shall be given first consideration for the position.

**ARTICLE VII**

**AGREEMENT REVIEW**

A. **Agreement Review.** Representatives of the School Board and the Association may meet upon mutual agreement for the purpose of reviewing the administration of the Agreement and to resolve problems of interpretation and administration that may arise. These meetings are not intended to bypass the grievance procedure, and each party will submit to the other, at least forty-eight (48) hours prior to the meeting, an agenda of items to be discussed.

B. **Amendments.** Should such a meeting result in a mutually acceptable amendment of the Agreement, the amendment shall be subject to the approval process by both parties as they see appropriate.
ARTICLE VIII
PERIOD OF SERVICE

A. Length of Year. Full-time teachers shall have 181 duty days per school year. A minimum of five (5) duty days shall be non-instructional days devoted to parent-teacher conferences, workshops, and other non-student contact activities. Teachers will be compensated for assignments in excess of the regular school calendar (extended contract) and the normal teaching load. When such work is included in the teacher’s individual employment agreement, the teacher shall be compensated at his/her pro-rated annual salary rate. All extended contracts will require School Board approval. Nothing in this article shall prevent the District from canceling school in cases of inclement weather, absenteeism, or other acts of God that prevent the safe operation of the schools. When school is dismissed or canceled for such reasons, teachers shall be expected to remain on duty until the Superintendent or his/her designee dismisses them. If a teacher chooses to leave, he/she will have time deducted from sick leave for the amount of time the remaining teachers are expected to remain in the buildings. Opportunity may be afforded to the Association to meet and confer prior to April 1 of each year on the matter of the school calendar.

B. Length of Day. No teacher shall be required to report for duty earlier than fifteen (15) minutes before the opening of the pupils' regular school day in the morning. Teachers shall be permitted to leave forty-five (45) minutes after the close of the pupils' regular day. Teachers are encouraged to remain for a sufficient period after the close of the pupils' day to attend to those matters which properly require attention at that time, including consultation with parents when scheduled directly with the teacher. On each Friday and on each day preceding a holiday or vacation, the teachers' duty day shall end ten (10) minutes after the end of the pupils’ day.

C. Modification in Calendar, Length of Day. In the event of energy shortage, severe weather, or other exigency, the District reserves the right to modify the school calendar, and, if school is closed on a normal duty day, the teacher shall perform duties on such other day in lieu thereof as the District shall determine.

In the event of energy shortage, severe weather, or other exigency, the District may modify the duty day or duty week but with the understanding that the total number of hours shall not be increased (ex., a four-day week with increased hours per day, but the total weekly hours not more than in the regular five-day week).

Prior to adjusting the calendar, duty day, or duty week as per this section, the District shall afford the Association the opportunity to meet-and-confer on such matters.

D. Duty-Free Lunch. All teachers shall be entitled to a duty-free, uninterrupted lunch period of at least thirty-five (35) minutes.

E. Traveling Teachers. No teacher shall be deprived of his/her normal preparation or duty-free lunch period as a result of travel between buildings. Time spent in required travel between campuses shall not be considered preparation time or lunch time. In the event that a teacher must travel during his/her lunch period, he/she will have his/her lunch period either the period prior to or after the students' lunch period.

Teachers who may be requested to use their own vehicles in the performance of their duties and teachers who are assigned to more than one school per day shall be reimbursed for all travel at the State of Minnesota’s established rate. Teachers traveling between assigned buildings will be reimbursed one way.
unless the teacher is required to return to the base building for other regular school day duties, including meetings. Mileage reimbursement will occur at the end of each quarter.

F. **Deduction from Pay.** Deduction from pay for absence that does not fall under the provisions of ARTICLE XIV will be made on the basis of the 181-day year and eight-hour day (ex., a one 1-hour absence would result in a deduction from pay of 1/8 of 1/181 of the annual salary).

G. **Salary.** All members of the bargaining unit hired after the 2007-2008 school year will be paid on a 12-month basis. All existing elections will remain in effect until the teacher leaves the District.

**ARTICLE IX**
**WORKING CONDITIONS**

A. **Pupil Contact Period.** The normal secondary teaching load shall be defined as five (5) classes, one (1) supervisory period that is defined as a study hall, library or noon duty, and one (1) preparation period. The District reserves the right, in cases of teaching (instructional loads) fewer than five (5) classes and supervising one (1) study hall, to substitute other supervisory responsibilities at no extra salary. The maximum weekly teaching load for the elementary school will be thirty (30) pupil-contact hours and five (5) unassigned preparation hours. Preparation time shall not be less than twenty-five (25) consecutive minutes during the regular student day.

B. **Additional Teaching Period.** Assignment to a sixth (6th) teaching period or other assigned duty during the school day instead of a study hall will be by mutual consent of the teacher and District. Starting at the beginning of the 2012-2013 school year, teachers who agree to teach a sixth class in addition to a normal teaching assignment shall be paid $5,500 for a year-long assignment and $3,000 for a semester for an ITV or College Now course, and $4,500 for a year-long assignment and $2,250 for a semester for all other classes. If a teacher has agreed to teach an overload in writing, the District may buy out that teacher for five hundred dollars ($500). In addition to the normal sixth class assignment the language in the section above shall apply to the: child study coordinator.

An elementary teacher assigned to a combination class on a full-time basis will be reimbursed at the rate of .14 of the teacher's base salary. The reimbursement for an elementary teacher assigned to a combination class on a part-time basis will be pro-rated.

**ARTICLE X**
**RATES OF PAY**

A. **Salaries:**

1. The wages and salaries reflected in APPENDIX A shall be part of the Agreement for the 2017-2018 and 2018-2019 school year.

B. **Compensation for Additional Education.** The following rules shall be applicable in determining whether a teacher will receive additional compensation for acquiring more education:

1. **Germane.** Credits to be considered for additional compensation must be germane to the teacher's class assignment(s) or certification(s).
2. **Grade and Credits.** To apply for additional compensation, all credits beyond the bachelor’s degree must carry a grade equivalent of “B” or higher, if the course is only offered as P/F, a grade of “P” is acceptable. Credits must be taken at a college or university accredited by an officially recognized organization.

3. **Approval.** All credits, in order to be considered for additional compensation, must be pre-approved by the Superintendent in writing. Application forms will be available from the Superintendent's office.

4. **Effective Date.** Individual employment agreements will be modified to reflect additional compensation at the next pay period after an official transcript of credits has been received. The adjusted salary will be the new lane amount divided by the number of duty days in a school year and will be paid on those remaining duty days.

5. **Advanced Degree Program.** A teacher shall be paid additional compensation for moving to the master’s degree or higher categories only if the degree program is germane to the teacher's class assignment(s) or certification(s) as approved by the Superintendent.

6. **Salary Schedule Credits.** The salary schedule credits are in quarter credits. To convert semester credits to quarter credits, multiply the number of semester credits by 1.5 (example: a 3-semester credit class equals 4.5 quarter credits).

C. **Initial Placement on Salary Schedule.** No more than ten (10) years of out-of-District experience will be credited to teachers new to the District. This will be non-retroactive. All outside teaching experience must have been full-time in an accredited school within the last ten (10) years to be applicable. Final placement on the schedule will reflect the actual number of years of experience less than eleven (11) and will be determined by the Superintendent. The Superintendent reserves the right to deviate from these terms in the event of a teacher shortage and has the discretion to bring special cases to the School Board. The Association representative will also be notified of deviations in a timely manner and prior to School Board approval.

D. **Payroll Days.** Teachers will be paid semi-monthly on the fifteenth and the thirtieth of each month (or on the nearest working day if such date falls on a holiday or weekend).

E. **Part-time Teachers.**

1. **Elementary Teachers:** Part-time elementary teachers and other teachers not scheduled on the basis of the secondary teacher load shall be compensated according to the proportion of the number of minutes the teacher is assigned supervisory responsibility for students to the number of minutes that full-time teachers are assigned supervisory responsibility for students (ex., a teacher hired to teach four (4) thirty (30)-minute Title I lessons shall receive 120/345 of the full-time equivalent salary amount set by the District).

2. **Secondary Teachers:** Part-time secondary teachers and other teachers scheduled on the basis of the secondary teacher load shall be compensated by the proportion of the number of periods of assigned supervisory responsibility for students to the number of periods that full-time teachers are assigned supervisory responsibility for students (ex., a teacher hired to teach two (2) classes and supervise a
study hall will receive 3/6 of the full-time equivalent salary amount set by the District; a teacher hired to teach two 2 classes will receive 2/6 of the full-time equivalent salary amount set by the District.

F. **Long-Term Substitute Teachers.** Any teacher who is hired as a long-term substitute teacher shall be compensated at the rate according to Section C of this article. Beginning on the thirtieth (30\textsuperscript{th}) consecutive teaching day and thereafter, the substitute will be paid at a daily rate based on the first step of the appropriate lane. The substitute will not be eligible for health insurance coverage. Sick, personal, and professional leave will be prorated according to the ratio of days employed to the number of teacher contract days. A substitute teacher who replaces a teacher for the entire school year will be treated the same as any other regularly-employed, full-time teacher in terms of salary and benefits as set forth in this Agreement. However, he/she will not accrue seniority.

G. **Substitution.** Teachers may, if they so elect, and are requested by the District, act as a substitute for other teachers. In such cases, the teacher shall be paid for substituted classes at the current District substitute rate, payable twice a year; or a teacher may elect to accumulate comp time. If a teacher elects comp time, it will be under the following conditions:

1. Comp time will be earned by the minute, i.e. 47 minutes of class time will equal 47 minutes of comp time.
2. Only after a teacher has accumulated seven (7) clock hours (420 minutes) of comp time will he/she be eligible for a comp day.
3. A teacher can only earn one comp time day per year. All subbing situations occurring after seven hours of accumulated comp time will be paid out at the current District substitute rate.
4. A teacher will have the school year in which the comp time was earned to use their accumulated comp time. At the end of the school year, if a teacher has not used his/her one (1) day of comp time, the day will be paid out in the same manner as if they had elected to be paid instead of accumulating comp time.
5. The access to comp time use will be the same as the use of a personal leave day as defined in the contract.
6. For any comp time accumulated prior to the end of the current school year, if it is not used, it will be paid out by the following November 1.

H. **Continuing Education.** All teachers shall be required to follow the continuing education guidelines as established by the District’s continuing education committee and as approved by the Minnesota Department of Education.

**ARTICLE XI**

**EXTRA COMPENSATION**

A. The wages and salaries reflected in APPENDICES B-1 and B-2 shall be part of the Agreement for the 2017-2018 and 2018-2019 school years. Compensation according to such schedules shall be made without deviation. Compensation for any extra-curricular activity not addressed in this Agreement will be handled in the following manner:

1. If compensation is not listed, the teacher, Association negotiators, and the District will meet to determine compensation. The new compensation must be approved by the School Board.
2. The District will pay the head coaches’/directors’ dues to a Minnesota state organization that requires adult membership for students to receive direct benefits of that organization. At no time will the District be responsible for more than one paid membership per activity.

3. If the District requires that a teacher attend summer workshops, evening meetings, etc., the teacher will be paid the extended hours or daily rate if applicable. The length of each situation (days, hours, prep time, mileage, etc.) will be determined with teacher(s) and the Superintendent prior to its start. The rates follow: hourly rate = $20.00; daily rate = $125.00. The hourly and daily rates will not be charged against the total dollar settlement.

4. Case Manager. Any regular education teacher assigned as a 504 case manager will be compensated. Compensation will be paid at the hourly rate, up to a maximum of $300. Compensation will be made at the end of the school year after a log of teacher activity and time has been submitted to the building principal. No teacher will be assigned more than one 504 case.

   **ARTICLE XII**
   **GROUP INSURANCE**

A. Health and Hospitalization.

1. **Single Coverage.** For the 2017-2018 school year, the District shall contribute a sum not to exceed an annual amount of $4,405 and $4,405 for 2018-2019 toward the cost of a premium for individual coverage.

   Coverage shall be for each full-time teacher employed by the School District who is eligible for and is enrolled in the School District group health and hospitalization plan. A teacher must have legal dependents to be eligible for family coverage. Any difference between the District’s contribution and the total cost of the premium shall be borne by the teacher and paid by payroll deduction.

2. Teachers on 24 pay periods: The teacher’s share of the premium shall be paid in 24 equal payroll deductions beginning on June 15 and ending on May 30 of the following year for the coverage period of July 1 through June 30 of the following year.

   b. $8,810 ($4,405 each full-time teacher) for the coverage period of 7-1-2018 - 6-30-2019.
   c. The District’s contributions may be applied to two single policies or one family policy.

5. The District's contribution toward the cost of group health insurance premiums for full-time teachers employed by the District that are not identified in section A.5 of this article, are subject to XII.A.1

   d. $5,393 toward a family policy for the coverage period of 7/1/2018 - 6/30/2019.

6. Effective July 1, 2017 for the 2017-2018 and 2018-2019 school year, the School District will contribute up to $367.08 per month/$4,405 per year toward the cost of group health insurance including major medical for singles. 4. The date of return from child care leave shall be established by the School Board with the following consideration: the School Board shall not be required to grant such leave for a period exceeding twelve (12) months; the return date must be mutually agreeable to the teacher and to the School Board whenever possible; and return from such leave should occur at natural breaks in the school year (ex., end of grading period, vacations) whenever possible.

5. Such leave shall not be considered to be a part of the teacher's probationary period.

6. The teacher returning from child care leave shall be reinstated to the teacher's previous assignment unless previously terminated or placed on unrequested leave of absence and shall retain all continuing contract rights, security, salary, and fringe benefits which had accrued prior to the start of such leave.

The proceeding before the arbitrator shall be a hearing de novo.

5. **Decision.** The parties shall request that the decision by the arbitrator be rendered within thirty 30 days after the close of the hearing. If the grievance is already pending at the time of the filing of the lawsuit or instituting a proceeding with an administrative agency as stated above, then the right to further pursue the grievance will be deemed to have been waived. An arbitrator may not take jurisdiction over any such grievance. This subdivision, however, will not apply to a legal action taken pursuant to the “Uniform Arbitration Act.”

A copy of the comprehensive evaluation report shall be provided to the teacher at least five (5) days prior to placement of the report into the teacher's personnel file.

F. Objections. In the event the teacher feels that the evaluation was incomplete or unjust, the teacher may put the objections in writing and have them attached to the evaluation report to be placed in the personnel file.
