

**Come join Hack Club!**

## **HACK CLUB is starting back up!**

**When:** We will be meeting Wednesday Mornings at 7:30 AM Starting October 3rd

**Where:** Mrs. Bahl's Room (131)

**What we will be doing:** We will start this year with learning Python. Come learn the basics of the world's fastest growing and most popular programming language used by software engineers, analysts, data scientists, and machine learning engineers alike. In order to lead you through the steps of learning python we will be using Code Academy. Code Academy is a self- paced program-- so we can all learn at our own rate!

\*\*\*Tucker Amberg will be our lead programmer and will be here for help!

\*\*\* If you have no programming experience it is ok! We will get you started with the basics.
