

BOLD GRADUATION REQUIREMENTS

*****full detailed graduation requirements are on page 3 of the course catalog*****

English 4.0 credits

Science 3.0 credits

Math 3.0 credits

Social Studies 3.5 credits

Health/PE 1.0 credits

Art 1.0 credits

Other Electives 8.5 credits

Total: AT LEAST 24.0 credits

9th Grade Course Selection Tips:

1. Your science and math teacher will LET MS.STEIN KNOW WHAT STUDENTS SHOULD BE IN EITHER
 - a. Advanced Physical Science OR Physical Science
 - b. Advanced Geometry OR Algebra 1b
2. When adding up the total credits, COUNT 1 credit MATH and 1 Credit Science in YOUR TOTAL COUNT
3. The count SHOULD BE AT LEAST 6 credits NO MORE THAN 7
 - a. Why is that? BOLD REQUIRES 24 credits to graduate so (6 credits per year times by 4 is 24)
 - b. If you sign-up for 6 credits you will be put into a study hall (study hall is NOT graded and DOES NOT HAVE CREDITS attached to it)
4. Typical 9th grade schedule looks like this (not in this order): english 9, adv physical science OR physical science, adv geometry OR algebra 1b, health/PE, World History 9, choir/band/spanish 1/art 1/intro into AG OR study hall.

10th grade Course Selection Tips:

1. If you are worried about your credits, please see Ms. Stein
 - a. If a student does not pass a class, their options are Monday Night Credit Recovery, Summer School, or retaking the credit for next year
2. The count SHOULD BE AT LEAST 6 credits NO MORE THAN 7
 - a. Why is that? BOLD REQUIRES 24 credits to graduate so (6 credits per year times by 4 is 24)
 - b. If you sign-up for 6 credits you will be put into a study hall (study hall is NOT graded and DOES NOT HAVE CREDITS attached to it)
3. 10th graders ONLY need .5 credits of GLOBAL STUDIES the second semester of Global Studies is an elective credit NOT required
4. TYPICALLY for math and science classes they are teacher placement however the general rule of thumb is

- a. Physical Science goes to Biology
- b. Advanced Physical Science goes to Advanced Biology
- c. Advanced Geometry goes to Advanced Algebra 2
- d. Algebra 1b goes to Geometry

11th Grade Course Selection Tips

1. As 11th graders, students are now eligible for College Now, REACH and PSEO options
 - a. These options are ways that students can earn college credit FOR FREE and earn high school credit
 - b. These require a GPA of 3.0 and top third of the class
 - c. PSEO (this is enrolling through the university and taking the class AT the school)
 - i. Students interested in PSEO need to stop by and see Ms. Stein
 - ii. If a student is planning on going PSEO, still select courses as if you are not planning on going PSEO
 1. Why? It is easier to pull students OUT of classes then trying to fit them in
 - d. College Now and Reach classes
 - i. Earn college credit
 - ii. Taught by BOLD staff certified to teach college level classes
2. Required Science Pathway
 - a. TYPICALLY:
 - i. Biology goes to chemistry
 - ii. Advanced biology goes to advanced chemistry
3. Required Math Pathway
 - a. TYPICALLY:
 - i. Geometry goes to algebra 2
 - ii. Advanced Algebra 2 goes to either Pre-calculus, College Now Pre-calculus or Algebra 3
4. If you are worried about your credits, please see Ms. Stein
 - a. If a student does not pass a class, their options are Monday Night Credit Recovery, Summer School, or retaking the credit for next year
5. The count SHOULD BE AT LEAST 6 credits NO MORE THAN 7
 - a. Why is that? BOLD REQUIRES 24 credits to graduate so (6 credits per year times by 4 is 24)
 - b. If you sign-up for 6 credits you will be put into a study hall (study hall is NOT graded and DOES NOT HAVE CREDITS attached to it)

12th Grade Course Selection Tips:

1. As 12th graders, students are now eligible for College Now, REACH and PSEO options

- a. These options are ways that students can earn college credit FOR FREE and earn high school credit
 - b. These require a GPA of 3.0 and top HALF of the class**
 - c. PSEO (this is enrolling through the university and taking the class AT the school)
 - i. Students interested in PSEO need to stop by and see Ms. Stein
 - ii. If a student is planning on going PSEO, still select courses as if you are not planning on going PSEO
 - 1. Why? It is easier to pull students OUT of classes then trying to fit them in
 - d. College Now and Reach classes
 - i. Earn college credit
 - ii. Taught by BOLD staff certified to teach college level classes
2. If you are worried about your credits, please see Ms. Stein
- a. If a student does not pass a class, their options are Monday Night Credit Recovery, Summer School, or retaking the credit
3. The count SHOULD BE AT LEAST 6 credits NO MORE THAN 7
- a. Why is that? BOLD REQUIRES 24 credits to graduate so (6 credits per year times by 4 is 24)
 - b. If you sign-up for 6 credits you will be put into a study hall (study hall is NOT graded and DOES NOT HAVE CREDITS attached to it)
4. Interested in being an Student Teacher Aide (STA)
- a. Talk to Ms. Stein
 - b. STA is full year (1.0 credits) OR one semester (.5 credits)
