Community Ed. Dir.

BOLD School is happy to announce that beginning Monday, September 28, 2020, we will be providing free meals (Breakfast and Lunch) to all students enrolled in the district regardless of what their eligibility status is - Free, Reduced, or Paid. This has been made possible through funding from USDA and will be available through December 31st, 2020. It could end earlier if USDA funding is exhausted based on higher participation than anticipated.

The district will continue to process free/reduced meal applications. If you have not already completed an application, it is very important that you do so. We will transition back to the National School Lunch Program when the end date arrives or when the funding is exhausted. At that time student meals will be charged to their account at their eligibility that is on file (free, reduced or paid). The application can be completed through the Skyward parent portal, online form found on the district website or a paper copy that can be printed off of the website.

We are excited about the opportunity to feed our children healthy meals each day for free. Please contact Margaret Flemming, Food Service Director, if you have any questions at margaret.flemming@bold.k12.mn.us or (320) 523-1031 ext.3124.

BOLD School is an equal opportunity provider.
