BOLD School is happy to announce that The United States Department of Agriculture (USDA) has extended the Summer Food Service Program (SFSP) for the remainder of the 2020/2021 School year. Under the SFSP, meals are FREE to all students enrolled in the district regardless of what their eligibility status is - Free, Reduced, or Paid.

The district will continue to process free/reduced meal applications. If you have not already completed an application, it is very important that you do so. The application can be completed through the Skyward parent portal, online form found on the district website or a paper copy that can be printed off of the website.

We are excited about the opportunity to feed our children healthy meals each day for free. Please contact Margaret Flemming, Food Service Director, if you have any questions at margaret.flemming@bold.k12.mn.us or (320) 523-1031 ext. 3124.

BOLD School is an equal opportunity provider.
