What is ECFE?

ECFE stands for Early Childhood Family Education

ECFE is a Community Education program for parents and their children from birth to kindergarten age.

ECFE provides a staff of people committed to supporting parents as their child's first and most influential teacher.

ECFE supports and strengthens families by helping parents understand the many ways in which their children develop.

Children have the opportunity to be with other children and learn through creative activities.

Did you know that a UNITED WAY GRANT has helped the BOLD Early Childhood programs?

We received an average of \$5,000 a year to help support our School Readiness programs. We all know how important preschool can be to provide learning opportunities for children, gain strong social-emotional skills, and to help children gain skills they need to get ready for Kindergarten. Thank you, United Way, for helping BOLD Little Warriors attend preschool programs.
