

2024 BOLD AFTER PROM EVENT

Seeking donations!

Thank you to those community members and businesses who have already generously contributed to the 2024 BOLD After Prom event which will be held on April 27th. This year, following the formal prom event, students will be traveling to the Blaine Fun Lab and then returning to school where door prizes will be distributed. It should be an unforgettable experience for all!

To make this event affordable for all attendees, we are seeking support from our community members, businesses, and organizations. We appreciate any financial support or student prize donations you can offer.

Please mail or drop off all donations at the BOLD High School – Attn: Heidi Gross. 701 South 9th St., Olivia, MN 56277

Thank you for your support!
